2018-07-05 13:52

Thornton Group LLC is a sister company of Qianfengjunsheng Group, headquartered in Boston, Massachusetts. It was founded in 2005 by Mr. Michael Lin and Mr. James Bulger. Combining the business and investment experience in the Western market with the insight and network of relationships in the local market in Greater China, it becomes a bridge connecting the East and the West. The Thornton Group has played an important role in promoting Sino-US cooperation for many years.

The classic case of Thornton Group's investment in China (1):

In 2013, organized Chinese and American elites to jointly initiate and invest in China's first Sino-foreign joint venture fund management company, namely Bohai Huamei (Shanghai) Equity Investment Fund Management Co., Ltd.
