

# The Real Powers Behind President Barack Obama By Karen Hudes

Tuesday, December 31, 2013 8:02

[\(Before It's News\)](#)

From Karen Hudes Facebook page:

Barack Obama is truly not the President of the United States. He is not a powerful person at all. Rather, he is a front man for more powerful entities that hide in the shadows.

The real power in the world is not the United States, Russia, or even China. It is Rome. The Roman Catholic Church (Vatican) is the single most powerful force in the world.

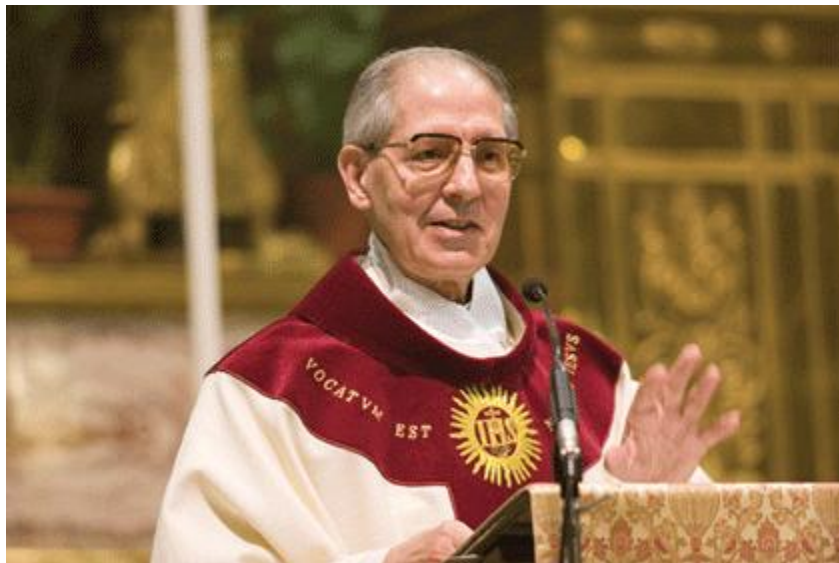

However, the Vatican has been under the control of it's largest all-male order, the Jesuits. The Jesuits were created in 1534 to serve as the "counter-reformation" — the arm of the Church that would help to fight the Muslims and the Protestant Reformers. However, they fought with espionage. The Jesuits were expelled from at least 83 countries and cities for subversion, espionage, treason, and other such things. Samuel Morse said that the Jesuits were the foot

soldiers in the Holy Alliance (Europe and the Vatican) plan to destroy the United States (Congress of Vienna). Marquis Lafayette stated that the Jesuits were behind most of the wars in Europe, and that they would be the ones to take liberty from the United States.

The head of the Jesuit Order is Adolfo Nicholas. His title is Superior General of the Jesuits. The use of the rank “general” is because the Jesuits are, in reality, a military organization.

Nicholas, as the Jesuit General, is the most powerful man in the world. He ultimately issues the commands that are administered by drones like Obama.

The Jesuit General is nicknamed “The Black Pope” because he always wears black robes. Pope Benedict XIV is, thus, the “White Pope”.

Directly under the Jesuit General is Fr. James E. Grummer, S.J. — one of the five Jesuit priests who serve as direct “assistants” to the Jesuit General. Grummer is his American assistant, and controls the US Jesuit Conference. He is the controller of every American Jesuit university and every American Jesuit Provincial. The New York Provincial has the most contact with Grummer (as the top provincial).

Under Grummer is the President of the US Jesuit Conference, Fr. Thomas H. Smolich, S.J., who was the Jesuit Provincial of California during the reign of Governor Arnold Schwarznegger. Smolich was the power behind Arnold during these years. Smolich is a key force behind the planned Sino-Soviet-Muslim invasion, which the Jesuit Order is planning to use to bring down the United States. He is also actively involved in the orchestration of the Chinese-Mexican invasion.

Under Smolich is Fr. David S. Ciancimino, S.J., the Jesuit Provincial of New York. He is the top Jesuit Provincial in the United States, as New York is the capital of the Jesuit Order's power (that's why it was chosen as the staging area for 9/11). Here, Ciancimino (and the Jesuits beneath him) control Wall Street, the NYSE, and the Federal Reserve Bank. Ciancimino controls Archbishop Timothy Dolan, the most powerful Roman Catholic official in the United States who is not a Jesuit. Ciancimino is an occultist, as are many other top Jesuits.

Directly under Ciancimino is Fr. Joseph M. McShane, S.J., who is the President of Fordham University – the Jesuit college of New York, and the Jesuits' military stronghold there. It is through McShane that the Jesuits (led by Ciancimino in New York) control Archbishop Timothy Dolan. He has become known as the “penholder” for Dolan. He wears a decorative necklace that features an equilateral triangle, a Masonic symbol of the Risen Horus.

Under the control of these powerful Jesuits is Pope Benedict XIV, the Vicar of Christ (Horus) and the current Roman Papal Caesar. He represents Osiris in mystery-school/occult mythology.

Below Pope Benedict XIV is the Timothy Dolan, the Archbishop of New York. Dolan is the “American Pope” and the “Archbishop of the Capital of the World”. He heads the American branches of the Knights of Malta and Knights of Columbus. He is a likely occultist and the controller of American Freemasonry, the CFR, the ADL (B'nai B'rith), the Pentagon, and the intelligence community.

Joseph A. O'Hare, S.J. is the President Emeritus of Fordham University and the man directly under Egan. He is a Knight of Malta and has presided over CFR meetings as Egan's operative. He is an adviser to David Rockefeller (Knight of Malta), Henry Kissinger (Knight of Malta), and Mayor Michael Bloomberg of New York. He is, thus, the Jesuit who directly controls the city mayor. He is also the Jesuit who controls the Rockefeller-Kissinger apparatus, of which the CFR is a key part.

O'Hare is a devoted Zionist who supports the State of Israel, which was created in 1948 by the United Nations (UN) – a creation of the Archbishop of New York's Council on Foreign relations). It was Archbishop Francis Spellman of New York who solicited votes at the UN for Israel. Spellman played a key role in Israel's founding. The founder of Zionism was Theodor Herzl, who had frequent meetings with the Pope and had once planned to lead the Jewish people in a “mass conversion” to Roman Catholicism. The true designers, financiers, and promoters of Zionism are the Rothschilds, who Encyclopedia Judaica describes as “guardians of the papal treasure”. That's right – the Rothschilds are the banking agents of the Papacy. The State of Israel is just the revived Latin Kingdom of Jerusalem, and it's under the Vatican's thumb.

Below O'Hare is John J. DeGioa, the President of Georgetown University. DeGioa is also a Knight of Malta and a member of the CFR. He is one of the over-seers of the State of Israel.

Below DeGioa, we find Richard N. Haas — the Chairman of the CFR. Haas is ultimately simply a lowly agent of Archbishop Egan. Haas is a Jewish Labor Zionist and oversees the American Israeli Public Affairs Committee (AIPAC). These Jewish Zionists are mainly just Papal Court jewish people.

Below Haas is Zbigniew Brzezinski, who was a member of the CFR, Bilderberg Group, and Trilateral Commission. Brzezinski had co-founded the Trilateral Commission. He was a Knight of Malta, as was the other founder of the Trilateral Commission - David Rockefeller. Brzezinski is a Polish Roman Catholic and an adviser to Georgetown University.

Brzezinski was Soetoro's professor at Columbia University, and recruited him for presidential grooming. Are we beginning to see the big picture?

Once Brzezinski created "presidential candidate" Obama, his campaign was financed and promoted by the multi-billionaire behind hundreds of organizations on the "political left" — George Soros. Soros was a high-ranking CFR member and a member of the Carlyle Group, an international corporation that served as a front for the Vatican. Soros, a Hungarian jewish, was a strong socialist-communist (like Brzezinski). Like Haas, Brzezinski was a Papal Court jewish and a Labor Zionist. He is also a Freemason. He is a friend of Rupert Murdoch. Soros is a major stockholder in Halliburton.

Murdoch is the protector of Obama, controlling his opposition. Murdoch was knighted by the Pope in 1998 for making large contributions to the Roman Catholic Church. He has said that his corporation - News Corp - is "just like the Jesuits" while speaking at Georgetown University. Murdoch is a member of the CFR.

Joseph R. Biden is the Vice President, and is directly under the Vatican's big-wheel operatives (Soros and Murdoch). He is Roman Catholic and has been honored at two Jesuit universities. His son is a Jesuit volunteer and a lobbyist for a Jesuit university he attended.

Under the guidance of Biden, we find Barack Obama, a 32nd Degree Freemason who has been trained in Romanism.

---

I always wondered how much sway the Vatican still has in the year 2014. They use to be an obvious powerhouse. Kings and Queens bowed before the Pope and did what he told them to do. That is just not the case anymore. Even within the church itself, power dwindles. Scandal, abuse and a lack of faith has been eating the church, and every church in every religion, from the inside out. And since when did Freemasons and Catholics get along? Conspiracies are funny like that.. Keep in mind, Protestants have never liked Catholics. -Mort

If they do this, the mail is re-routed because the Vatican is it's own nation and Italy is of course completely separate, especially as it has to do with postal mail. Italy is notorious for mis-routing mail addressed to the nation of Vaticano. Just thought you might like to know.

## Welcome to our House!

*Dear Visitor,*

*It's a pleasure to welcome you to our Roman Curia, where I live and work with my collaborators to serve our fellow Jesuits throughout the world and all those people with whom and for whom they share their lives.*

*More than 470 years ago Saint Ignatius Loyola started with his first companions this “little company” as he used to call it. Today, Jesuits are sent to the edge of humanity and involved in apostolic ministries on all the continents of our world.*

*When you visit our Curia, you will meet people from across the entire globe, having a large variety of responsibilities. I am very grateful that they have accepted the role of being my colleagues in the mission I received during the last General Congregation in 2008 to lead the Society of Jesus.*

*The purpose of this website is assist you in meeting the people working at the Curia and locating the information you are looking for. As you make your way through this “house with many rooms” I hope you find what you desire.*

*Adolfo Nicolás S.J.,  
Superior General  
of the Society of Jesus*

## Father General

*Fr. Adolfo Nicolás,  
Superior General of the Society of Jesus*

What is a Superior General?

Since Saint Ignatius was elected as Superior General of the Society of Jesus in 1540 and as he wrote the Constitutions of his Order, the Superior General has always been elected for life by a "General Congregation" of Jesuits, representatives of their provinces around the world.

The mission of the Superior General consists in guiding the Order, according to the Constitutions and Norms and the Guidelines of the General Congregations.

The two last Superior Generals, Frs. Pedro Arrupe (1965-1983) and Peter-Hans Kolvenbach (1983-2008) have asked and received permission from the pope to step down as Superior General.

#### Profile of Father Adolfo Nicolás

**1936/** born on April 29 in Villamuriel de Cerrato (Palencia province), Spain, about four miles from the capital city Palencia. The third of four brothers (Antonio, Félix, Adolfo and José), his father Adolfo originated from the province of Burgos and his mother Modesta hailed from the small town Villalaco in the Palencia province.

**1940/** His father, a military professional, was transferred to Barcelona. There Adolfo attended the Jaime Balmes Institute for his 1st year of high school [a seven year program at that time in Spain]. He did his second and third year at the Christian Brothers school in Barcelona. In 1949 he did his fourth year of high school at the Minor Seminary of Saint Joseph that the Jesuits of the Tarraconense Province ran in the town of Roquetas del Mar.

**1950/** his father was transferred to Madrid; Adolfo completed his remaining three years of secondary education at the Jesuit's Areneros high school, graduating in 1953 with the highest distinction the school granted.

**1953/** on September 15 he entered the Jesuit novitiate in Aranjuez in what was then the Province of Toledo. His philosophy studies were completed at Alcalá de Henares, obtaining in Ph.L. in 1960. He then left for Japan for language studies.

**1964-68/** he studied theology in Tokyo and was ordained priest there on March 17, 1967.

**1968-71/** he completed his doctoral work at the Gregorian and wrote his doctoral dissertation, Theology of Progress.

**1971/** he became a Professor of Systematic Theology at Sophia University in Tokyo.

**1978-84/** Director of the Pastoral Institute in Manila, Philippines. This Institute was formed after the Vatican II to work on aggiornamento - the renewal of the Church - and has had wide influence in the theological renewal of all of Asia. Asian bishops and novice directors received their formation there.

**1991-93/** Rector of the house of Jesuit students in Tokyo.

**1993-99/** Provincial of Japan and in that capacity he attended GC34 in 1995, where on the first ballot he was elected secretary of the congregation.

**2000-03/** he moved to a poor parish of immigrants in Tokyo. He was able to help thousands of Philippino and Asian immigrants, in the process gaining a first hand experience of their suffering. In this way his love for the poor and oppressed became his most important ministry.

**2004-08/** he became Moderator of the Jesuit Conference of East Asia and Oceania. This means that his area of responsibility extended from China to the South Pacific and Australia. During these years, Fr. Kolvenbach made Vietnam into a new Province.

**2007/** he served as a member of the Coetus Previs (preparatory commission) of GC35

**2008/** on January 19 he was elected Superior General of the Society of Jesus.

## Curia Secretariats

Within the Society of Jesus' govern-mental structure, six apostolic sectors receive special attention through the creation of secretariats.

### ***The Secretariat for the Promotion of Faith***

This new Secretariat coordinates the Promotion of Faith, Ignatian Spirituality and the Ecumenical and Inter-religious dialogue.

[Website](#)

### ***The Secretariat for Collaboration with Others***

The mission of the Society of Jesus in the 21st century is "the service of faith that does justice in collaboration with others". In this context, the Society envisions collaboration with fellow-humans across cultures, religions and nationalities to be a new way of being Jesuit.

The ease of digital communication, jet travel and the ongoing encounters of cultures, necessarily shrink frontiers and internationalize societies. We re-discover our common roots as human beings while celebrating our diversities. We become more present to one another and claim kinship and fellowship.

The newly created Secretariat for Collaboration affirms the value of Jesuit collaboration with fellow-

Jesuits, as well as with all women and men of good-will. We believe the globalized world confronts us with the challenge of collaboration since Jesuits are both “men **for** others and men **with** others”.

Be our partner in this exciting enterprise!

### ***The Social Justice and Ecology Secretariat***

The office exists to support and encourage Jesuits and partners in their work for justice peace and environmental care worldwide. Digital editions of the review “Promotio Iustitiae” available in English, Spanish, French and Italian.

The Secretariat is a consultative group conversant with the ongoing dialogues among diverse faith communities. Each advisor remains in his present work and location rather than moving to Rome. All the advisors gather in Rome once a year to meet together with Father General for discussions on

developments in ecumenism and inter-religious dialogue, and the Society's involvement in them. Each advisor is appointed for a term of three years.

### ***The Library of the Curia***

Since the restoration of the Society the Bibliotheca Praepositi Generalis Societatis Iesu has collected copies of all books published by Jesuits. At present the library has about 175,000 books written from 1800 to the present, 206 current periodicals, and 250 periodicals that are no longer published. The library is in the process of becoming a member of the CEIBIB (Conferenza Episcopale Italiana: Biblioteca) and will soon have all its books catalogued on the internet. The library remains private but Jesuits and other scholars can use it with special permission of the librarian.

### ***The Development Resources Office of the Curia***

The Jesuits work in over 130 countries throughout the world, dedicated to a variety of apostolates; spiritual, social and educational, while 'finding God in all things.' # The Interprovincial Jesuit Houses in Rome

## ***Communities and Apostolic Works in Rome***

Besides the houses and activities of the Italian Jesuits, there are in Rome several large institutions and communities at the service of the Church universal. They depend directly on the Superior General of the Society of Jesus and are governed in his name by a Delegate who is a Major Superior. Currently Father General's Delegate for these apostolates is Father Joseph Daoust.

The recent 35th General Congregation (2008) declared that the interprovincial institutions in Rome are among the five global apostolic preferences of the Society of Jesus requiring 'special or privileged attention' as 'a special mission received directly from the Holy Father'.

The following are the Houses and Works that form together what are commonly known as the 'Inter Provincial Roman Houses'. In latin '**Domus Interprovinciales Romanae**' [DIR] :

### **The 'Curia Generalizia'**

The Central Offices of the Society of Jesus

### **The Pontifical Gregorian University**

A university born out of the free classes given at a 'Collegio Romano' started by Saint Ignatius of Loyola in 1551. It offers degrees in ecclesiastical, religious and human sciences: Theology, Canon Law, Church History, Philosophy, Psychology, Social Sciences, etc

### **The Pontifical Biblical Institute** (with a branch in Jerusalem)

A university institute for higher studies in Sacred Scriptures and related disciplines (founded in 1909), with a Research and Studies Centre in Jerusalem.

### **The Pontifical Oriental Institute**

A university institute for higher studies in Theology and Canon Law of the Oriental Catholic and Orthodox Churches (founded in 1917).

### **The "Collegio S. Roberto Bellarmino"**

A house of studies for Jesuit priests and brothers preparing for advanced academic degrees.

### The "**Collegio Internazionale del Gesù**"

A house of studies for young Jesuits preparing for the priesthood (first cycle)

### The "**S. Pietro Canisio Residence**"

A residence for Jesuits working at Vatican Radio, with an infirmary for the elderly and the sick.

### The **Vatican Observatory ('Specola Vaticana')**

A centre of astronomical observation and research, with two sites, one at Castel Gandolfo (Italy) and the other at Tucson, AZ (USA).

### The "**Centro Aletti**"

An ecumenical centre of art and theology devoted to bridging Eastern and Western Christian traditions.

## ***'Collegios' entrusted to the Society***

Among the 'Roman Houses' are also listed several 'Collegios' entrusted to the Society. Those are Houses of Studies providing accommodation to diocesan priests and seminarians of various countries of the world who are engaged in studies in Rome. They are:

The **Pontificio Collegio Germanico e Ungarico**

The **Pontificio Collegio Pio Brasiliano**

The **Pontificio Collegio Pio Latino Americano**

## Regional Assistants

After his election at the 35th General Congregation (2008) Father General appointed 9 Regional Assistants from a list, provided by the Congregation.

### ***Role of the Regional Assistants***

The Regional Assistants help and support Father General in his decision- making. Each one is responsible for the oral and written communication with the provinces of his Assistancy).

The entire governance structure of the Society of Jesus is based on a continuous flow of information and extensive consultations.

Each and every decision is based on the reports received from local Superiors, brother Jesuits, lay collaborators as well as the provincial's personal knowledge of every Jesuit and apostolate in his province.

Decisions to call a man to ordination, to final vows, appointments of Superiors and Directors of Apostolates all follow this careful decision-making process.
